

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

STM/SPRINGHURST PARTNERSHIP'S APPLICATION )  
FOR APPROVAL OF THE TRANSFER OF NETHERTON )  
PLACE SEWAGE TREATMENT PLANT TO THE ) CASE NO. 89-202  
LOUISVILLE AND JEFFERSON COUNTY )  
METROPOLITAN SEWER DISTRICT )

O R D E R

On July 21, 1989, STM/Springhurst Partnership ("STM/Springhurst") filed an application requesting approval of the transfer of its Netherton Place Sewage Treatment Plant ("the Facility") to the Louisville and Jefferson County Metropolitan Sewer District ("MSD"). MSD did not join in the application; however, the agreement between STM/Springhurst and MSD for the transfer of the Facility to MSD upon Commission approval has been filed with the Commission and indicates MSD's willingness to acquire the Facility.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, is of the opinion and finds that:

1. MSD is ready, willing, and able to acquire the Facility and provide adequate and reliable service to the customers served thereby.
2. STM/Springhurst is ready and willing to sell inasmuch as it wishes to divest itself of the ownership and operations of the sewage treatment system.

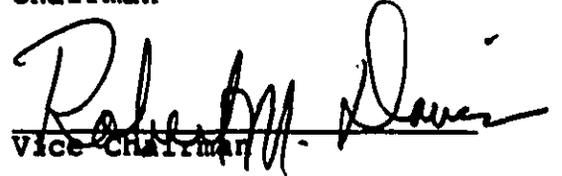

3. The quality of service to the customers served by the Facility will not suffer in that MSD has knowledge and experience in the operation and maintenance of sewage treatment facilities.

IT IS THEREFORE ORDERED that the transfer of ownership of the Facility to MSD shall be and it hereby is approved.

Done at Frankfort, Kentucky, this 16th day of August, 1989.
